Although the number of the claim from which claim 28 was dependent was altered during prosecution, from 20 to 21, this misnumbering was accidental, as indicated by the fact that all amendments state that the claim was in its original form as filed and never reflected any change. Therefore, Applicants request that the original claim dependency be reinstated. This correction should be indicated by the issuance of a Certificate of Correction.

Enclosed herewith is a check for \$100.00 to cover the cost of applicants' errors. The Commissioner is hereby authorized to charge any additional fees required to Deposit Account No. 23-1925. A duplicate copy of this sheet is enclosed.

Respectfully submitted,
